## Second Annual Scrubs 3 on 3 Basketball Tournament NETS over \$4200 for Dream Come True

**Palmerton, PA 14 July, 2003: 3 on 3 Tournament organizer, ProLog Internet Service from PenTeleData**, proudly announces the 2003 Scrubs 3 on 3 basketball tournament held at Moravian College to benefit Dream Come True raised over \$4200 for the local organization.

On Saturday, July 12 at Breidegam Field House and Johnston Hall on the Moravian College campus in Bethlehem 32 teams and over 120 basketball players took part in the annual tournament. Players from the Lehigh Valley to several counties away and parts of New Jersey displayed their marksmanship and athleticism throughout the day.

Up to four players per team were allowed including one substitute player. The winning team in each match was determined by the first team to score 21 points with a victory margin of two.

“We are thrilled with the response to this year’s tournament” said Dean Hosier, PenTeleData, tournament organizer. “From all the great volunteers to our sponsors and the players it was a tremendous day and all for a great organization like Dream Come True. We are already planning for next year!”

After 7 hours of head to head play the 2003 championship was awarded to “The 4 T.O.M.S.”(2002 runners-up), consisting of John Huggins, Richard Paul,

Auril St. Louis and Kirt Joseph. The runners-up, "50/50", consisted of Tramell Bledsoe, Joshua Feichtel, Shannon Tippens and Ryan Leayman.

As tournament organizer, PenTeleData extends thanks for the success of this year's event to our sponsors: Terry's Winner Circle, Blue Ridge Service Center, Citizens National Bank, The Times News, Beisel's Christmas Tree Hill, Times News Printing, Hager Furniture Inc., East Penn Publishing, Target Select, Rentschler Chrysler Jeep Chevrolet and Dynamite Woodworking.

### **ABOUT MORAVIAN COLLEGE**

Tracing its founding to 1742, it is recognized as America's sixth-oldest college, after Harvard (1636), William and Mary (1693), St. John's in Annapolis (1696), Yale (1701), and the University of Pennsylvania (1740).

Its mission is the integration of a liberal arts education with preparation for life. Moravian aims to give its students a foundation for careers or graduate/professional school, for continued lifelong learning, and for a values-oriented approach to society.

Founded by the Moravian Church, the College today educates a socially and religiously diverse group of students. Its enrollment is 1329: 536 men and 793 women. Students come from a variety of socioeconomic, religious, racial, and ethnic backgrounds, and from about 25 states and 10 foreign countries.

Moravian College has a hundred-and-seven full-time faculty members. More than 91 percent hold an earned doctorate or terminal degree. The faculty is teaching-oriented, with a significant record of professional activity and recognition.

## About PenTeleData

In June of 1948, one of PenTeleData's corporate forefathers fastened an antenna atop a nearby Pennsylvania mountain ridge, and ran a wire down to his appliance store. He then extended this wire to the homes of customers who purchased his TV sets. The rest of this story is history.

A worldwide communications revolution was launched by this feat, starting right here in northeastern Pennsylvania with the birth of cable television in the United States. Today, PenTeleData offers Internet access to more than one million businesses, households and educational facilities throughout the tri-state region.

Founded in 1994, **PenTeleData** is Pennsylvania's largest provider of Internet service and data connectivity and remains a family-run organization with its heart based in northeastern Pennsylvania. Offering quality toll-free, unlimited Internet access, data transport and consulting services throughout Pennsylvania and New Jersey, **PenTeleData** draws its resources from a consortium of cable and telephone companies.

Regional telecommunications companies make up PenTeleData, including Blue Ridge Communications, CATV Services, Inc., Ironton Telephone Co., Service Electric Cable TV and Communications, Service Electric Cablevision Inc., Service Electric Cable Company and Service Electric Company.

Whether it's nationally recognized residential ProLog Internet service, groundbreaking security solutions, dedicated DirectNet high-speed Internet access or commercial data transport, PenTeleData is the starting point for the fastest, most affordable and reliable Internet connection.

First in the country to dependably deliver cable Internet over a standard cable television connection, PenTeleData pioneered its use and continues to provide the quality customers have come to expect. PenTeleData has remained true to its aim to deliver a high-speed quality Internet product for residential cable Internet connectivity with our ProLog Express service offered through our partners. ProLog Express Internet access delivers inexpensive, reliable, dedicated high-speed connectivity to residential and business subscribers alike.

**PenTeleData** has engineered one of the largest, privately owned fiber optic networks in the nation. Running on high-speed lines (OC-12, OC-3, DS3, DS1) and OC-12/OC-3 SONET rings, the **PenTeleData** ATM network -- with more than 60 Points of Presence throughout Pennsylvania, New York and New Jersey - - delivers Voice, Video, Data and Internet services through the region.
